There are four sorts of men:
He who knows not and knows not he knows not: he is a fool—shun him;
He who knows not and knows he knows not: he is simple—teach him.
He who knows and knows not he knows: he is asleep—wake him;
He who knows and knows he knows: he is wise—follow him. —LADY BURTON, In *Life of Sir Richard Burton* (quoted as an Arabian proverb)
