The great thing
in this world
is not so much
where we are,
but in what direction
we are moving.

NEWS RELEASE.....

The following is a news release issued jointly by the AFT and BOG:

Tentative settlement of salary negotiations between the Illinois Board of Governors of State Colleges and Universities and the American Federation of Teachers-Local 3500 was reached on July 31, 1978. AFT Local 3500 is the bargaining agent for academic employees of the five Board of Governors Universities, which are: Chicago State University, Chicago; Eastern Illinois University, Charleston; Governors State University, Park Forest South; Northeastern Illinois University, Chicago; and Western Illinois University, Macomb.

The tentative settlement of the salary reopener includes a monthly salary increase of 3.8 per cent plus \$70; increases in the increments received in recognition of promotion and of completion of a professional terminal degree; allocation of funds to establish salary minima, and merit funds.

The ratification of the tentative agreement by academic employees and the Board is scheduled for September. If ratified, the agreement will be in effect through August, 1979, when it will expire along with the remainder of the full agreement. Negotiations for the second full agreement will begin this coming winter.

The collective bargaining agreement between the Illinois Board of Governors of State Colleges and Universities and the AFT Local 3500 is the first collective bargaining unit in four year public higher education in Illinois.
