**NEW GSU EXECUTIVE ASSISTANT . . .**

to the president is Dr. Beverly Beeton, formerly assistant to the vice president for academic affairs at the University of Utah.

She succeeds Dr. David Curtis, now vice president for academic af-

fairs at Lewis University in Lockport, Il.

Dr. Beeton has also been a management intern personnel officer for the federal government, guest lecturer at University of Utah and Old Dominion University in Virginia, teaching fellow at University of Utah, and American history and literature teacher in high schools.

Her latest book, "The Enfranchisement of Women in the United States in the late Nineteenth Century," will be published by University of Utah Press.

Her professional activities include advisory service and conferences and publications include articles, book reviews and presentations.

Dr. Beeton received her B.S. degree in history and English at Weber State College, with a secondary school teaching certificate, and Ph. D. in history at University of Utah, with a graduate certificate in American studies.

**MINI-GRANT REMINDER . . .**

October 2, 1978 is the absolute deadline for applications to GSU's Mini-Grant Program. The Program provides support to conduct basic and applied research, and scholarly projects. Highest priority will be given to projects which are relevant to the goals and missions of the University and projects which have the potential of being submitted to external sponsors for further support. GSU faculty, staff, and students (when sponsored by a faculty member) are eligible to apply. Guidelines and application forms are available from the Office of Research or from your Associate Dean, who is a member of the Mini-Grant Review Committee. Questions regarding the Program may be directed to Bob Krebs, Mini-Grant Chairperson, or your collegial Mini-Grant Committee Member.

A S P E C I A L     A N N O U N C E M E N T :

Faze I received today the following from the Provost & the President:

Provost McCray: "It is with deep regret that I have accepted the resignation of the Academic Wing's Associate Vice President for Research, Robert Krebs, effective mid October. Bob has accepted a position as Associate Dean in the Graduate School of the University of Illinois at the Chicago Medical Center. I have made every effort within the parameters available to me to compete with the University of Illinois for Bob's remarkable skills as a grantsman. Bob has repeatedly expressed his continuing admiration of the GSU faculty with whom he has worked so closely and productively. In the final analysis however, Bob cannot refuse the challenge and professional growth promised by this new position. GSU will miss him sorely."

President Leo Goodman-Malamuth: "In his years at the University, Bob Krebs has assisted the faculty in raising over seven million dollars to support research, teaching and community service. As he moves on to the University of Illinois in October, he leaves not only a monetary legacy, but an example of dedicated professional administration. He will be hard to replace."
