I have a dream that one day . . . children will live in a nation where they will not be judged by the color of their skin but by the content of their character.

--ii. L. King, Jr.

Vol. 9, No. 14

DISTINGUISHED MEMBERS . . . of the newly-organized resident GSU String Quartet rehearse for their premier concert Sunday, January 27, at 4 p.m. in the Music Recital Hall. GSU's Office of Student Activities will sponsor a series of six special events for the Winter Trimester--contemporary lecture forums, comedy, popular and classical music. A faculty music concert will be held March 21. On March 28, Joseph Sorrentino, California juvenile judge and award-winning author, will be guest lecturer. Presented April 25, will be Carl Stokes, former mayor of Cleveland, former representative to the Ohio Legislature, NBC commentator, author and award-winning syndicated columnist. All events are open to the public and will be held on Fridays at 8 p.m. in the Music Recital Hall at GSU. Tickets for the series are \$10. Single performances are \$2 for the general public and \$1 for GSU faculty, staff, Alumni Association members and senior citizens. GSU students are admitted free. For further information, call x2124.

TAKE A BREAK . . . In observance of Martin Luther King's birthday, Tuesday, January 15, will be a holiday at GSU.

COLD WEATHER HINT . . . You can help prevent fogging and frosting of the interior surfaces of your car windows by leaving them slightly cracked open. This allows the moisture that has accumulated from your breath in the relatively warm car to evaporate into the cold outside where the absolute humidity is quite low, rather than condense on the cold windows and freezing.

Yesterday

Remember when HIPPIE meant big in the hips,
And a TRIP involved travel in cars, planes and ships?
When POT was a vessel for cooking things in,
And HOOKED was what grandmother's rug might have been?
When FIX was a verb that meant mend or repair,
And BE-IN meant simply existing somewhere?
When NEAT meant well organized, tidy and clean,
And GRASS was a ground-cover normally green?
When lights and not people were SWITCHED ON AND OFF,
And the PILL might have been what you took for a cough?
When CAMP meant to quarter outdoors in a tent,
And POP was what the weasel went?
When GROOVY meant furrowed with channels and hollows,
And BIRDS were winged creatures, like robins and swallows?
