--A reflection

July 11, 1980

Vol. 9, No. 411

**GSU RECEIVES 3RD CONSECUTIVE HECA GRANT . . .** Governors State University has been awarded its third consecutive Higher Education Cooperation Act (HECA) grant in a cooperative planning effort with area community colleges. The \$22,000 grant will fund the South Chicago Metropolitan Area Clientele, Program and Resource Planning Consortium for FY1981. The other participating institutions are Prairie State, Kankakee Community and Thornton Community Colleges. The Consortium will define compatible processes for annual preparation of the institutions' Resource Allocation and Management Programs and identify data elements that are necessary to support institutional and regional planning efforts. Jay Kahn of GSU's Office of Institutional Research and Planning is the Project Director. The HECA grant for FY1979 supported the development of articulation agreements. Last year's grant supported a study of adult learners in five community college districts.

**APPEARING AT GSU . . .** Judy Roberts, popular Chicago jazz pianist and singer, will bring her band to GSU for a concert in the Music Recital Hall on Friday, July 11, at 8 p.m. Mark Kornhauser, Chicago comedian, also will appear on the program.

**YOU ARE INVITED . . .** The GSU community is invited to extend best wishes and farewells to Cleo Walker of the Personnel Office at a farewell party in her honor, Tuesday, July 15, 2-4 p.m. in the Personnel Testing area. She and her family are relocating to Houston, Texas.

**A MESSAGE FROM THE PRESIDENT . . .** With each member of the University community I want to share the news that I will undergo major surgery on Monday, July 14. I hasten to add a few important qualifiers: (1) the surgery is elective; (2) there is no suggestion of malignancy or complication associated with the operation;

(3) hospitals are for sick people, not for visitors and/or flowers! I know it is not presumptuous of me to be confident that I will be in your thoughts and good wishes. I expect to be hospitalized for a week and then to convalesce in my home for about a month. By mid-August I will probably begin to involve myself once again in the exciting and rewarding responsibility of serving as chief administrator of Governors State University. By the first of September I hope to be back on the job full-time. My ordeal will be lightened by the knowledge that, in my absence, Provost McCray will effectively manage the University as Acting President. I hope and wish that the remainder of the summer will be pleasant and delightful for each of you.

*Leo Goodman - Madanath, II*

**HONORARY DOCTORATES . . .** The Commencement Committee is soliciting nominations for recipients of the honorary doctorates for the June, 1981 Commencement. Recommendations to the President will be submitted in September. Please send names of nominees to Virginio Piucci, IR&P.

THE NEW FACULTY SENATE . . . members and officers have been named for 1980-81. They will begin their terms on September 1, 1980. Robert Press has been re-elected president and William Rogge will serve as vice president. The 1980-81 Faculty Senate members are:
