*To correct the evils, great and small,  
which spring from want of sympathy and  
from positive enmity among strangers, as  
nations or as individuals, is one of the  
highest functions of civilization.*

**MEETINGS TO EXPLAIN INSURANCE PROGRAM CHANGES . . .** will be held on Tuesday, June 2 in Engbretson Hall at 9:00 a.m and 10:30 a.m. Changes in the group insurance program will occur effective July 1. Of special significance is the new health benefit program. A "Dual Choice Period" will be provided to allow employees already insured an opportunity to shop and compare the costs and benefits between the insured (Blue Cross/Blue Shield) plan and Health Maintenance Organization plans. Your attendance is important in order that full details of these plans may be obtained.

**JOINT SUMMER PRODUCTIONS . . .** GSU and Prairie State College have announced auditions for a joint Summer Theatre Repertory of Music and Comedy. Auditions are scheduled at the GSU Theatre on June 1 and 3 at 7:00 p.m. and at Prairie State College's "K" Bldg. on June 2 and 4 at 7:00 p.m. The production of "Pal Joey" will take place on the evenings of July 24, 25, 26, 31 and August 1, 2. The production of "Dream Makers" will be on the afternoons of July 25, 26 and August 1, 2. Anyone interested in auditioning should dress in nonrestrictive attire. Qualified community college students may earn credit. For further info, call Temmie Gilbert at x2119 or Richard Peterson at Prairie State, (312) 756-3110, x756.

### Mary Miss Sculpture . . .

During July and August this summer New York sculptor, Mary Miss, will transform 3.7 acres of our campus into a site-specific sculpture. This is a truly massive undertaking. It is projected that some twenty persons will be working 8-to-5, 5 days a week, for two months. The \$80,000 sculpture is funded half by the Governors State University Foundation and half by the National Endowment for the Arts. Details will follow. Pictured below is a first drawing.

Some important details need to be worked out immediately, however. Five persons will need housing in July and August, one couple and 3 male engineers. They would of course pay rent, even if they were "house-sitting." They need furnished housing. Secondly, GSU must locate at least fifteen workers to assist Ms. Miss. Three units of either grad or undergrad credit will be available. Tuition and fees will be waived. Pay: \$3.50 an hour. Note: this project is open to upper division high schoolers or recent high school grads. Indeed, through GSU's "special non-degree" status, high school students could take the course for credit and find that they might be able to apply these credits to their future college degree programs.

For more info or to volunteer either housing or workers, call Bill Dodd, x2122.
