OUTDOOR FOLKFEST HERE NEXT FRIDAY

The SPECIAL CONSENSUS Bluegrass Band

DAVE RUDOLPH, THE BUFFALO CHIPKICKERS and SPECIAL CONSENSUS will perform at an outdoor Folkfest to be held in the outdoor amphitheatre at 8 p.m. on Friday, August 14.

RUDOLPH, a native of Park Forest, played at GSU in 1980. A guitarist, singer and storyteller, he is returning by popular request. He has appeared on most college campuses in the area, and has also entertained at colleges innorthern Indiana and in Wisconsin.

SPECIAL CONSENSUS, a four-man group reputed to have been the first full-time bluegrass band in the Chicago area, had its beginnings in an earlier group known as the Buffalo-Chip String Band. This group evolved into the Cook County Doo-Dah Boys, and finally, in 1975, became

Special Consensus. Basically bluegrass, they also include new material and lace the performance with country rock and swing from their earlier days. THE BUFFALO CHIPKICKERS also have played in the southern suburbs and on numerous

college campuses. They also play mostly bluegrass, but slip into a more lyrical style on occasion.

The concert will end with a fireworks display.

Entrance to the Folkfest will be through the Hall of Governors. There will be no chairs. Attendees are invited to bring blankets or folding chairs. Snacks will be on sale throughout the concert. Admission is \$2.00 for faculty and staff, \$1.00 for children under 12.

NOTE: watch next week's Faze for a feature on Rudolf and Donna Strukoff (CAS). They'll be presenting a vocal recital here on Sunday, August 16.

Don't just sit there! Get me down! If you hadn't barked so loud I wouldn't have jumped!

SEMINAR FOR BUSINESS COURSES SCHEDULED

Dean Robert Milam, (BPA), will chair a special orientation-registration workshop on Tuesday, August 18, to inform residents of the north and northwest areas of Greater Chicago about the business administration courses to be offered at Dempster School, Mt. Prospect, in the fall.

GSU is prepared to offer 12 undergraduate and 4 graduate courses in business for credit at the northside location. Each of the courses will be for 3 hours of credit. Students wishing to pursue a degree program would be required eventually to take some courses at GSU.

FACULTY, STAFF NEWS

The ICC produced slide/tape, "The BOG Degree Story," was shown by Dr. Otis Lawrence, Director, BOG/UWW, at the July meeting of the Board of Governors of State Colleges and Universities. This program, developed by Sally Petrilli (ICC), Coordinator of Instructional Development, for student recruitment and for use at the first of the portfolio seminars held each Trimester, has also been shown in Washington, D.C. to the National Conference of CAEL.

The slide/tape has been viewed twice in Springfield by Dr. Donald E. Walters, Executive Director of the Board of Governors, and his staff.

CREATIVE WOMAN QUARTERLY SPONSORING LECTURE

Dr. Helen Hughes (HLD), has announced that Dr. Sara Shumer will present a public lecture in Engbretson Hall, Friday, August 28. Student Activities will provide free refreshments. The Provost's office is co-sponsoring. Watch for details later.

Secretary's Prayer

"Dear Lord, help me to do my work well, to have the memory of an elephant; by some miracle to be able to do five things at once--answer four telephones while typing a letter that 'must go out today.' When the letter doesn't get signed until tomorrow, please give me the strength to keep my mouth shut."

"Dear Lord, never let me lose my patience even when the boss has me searching the files for hours for the report that is later discovered on his desk."

"Help me to have the intelligence of a college professor, although my education is limited to high school, a few credit hours and secretarial training."

"Help me to read his mind, read his handwriting, and carry out all instructions, without any explanation."

"Let me always know exactly where my boss is, what he is doing, and when he'll be back, even though he never tells me these things when he leaves."

". . . and Lord, when the year ends, please give me the foresight not to throw out records that will be asked for in a couple of days, even though I was told emphatically, 'Destroy these--they are cluttering up the place.' Amen."

From a "Sir Speedy" print.

OOPS, SORRY!

We left out a very important Veteran of Innovation:
