80TH ANNIVERSARY

Dr. William E. Engbretson
P. O. Box 316
Governors' State University
Park Forest, Illinois 60466

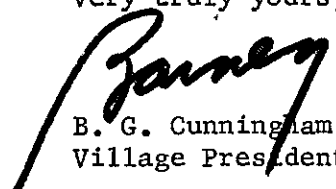

Dear Dr. Engbretson:

My attention was very accidentally directed to the enclosed report which was prepared and distributed during the attempt to create a private 4-year college in Park Forest.

While there is a great deal of "hot air" herein, you will find it interesting reading as you "goal search" in the next few months.

Best regards.

Very truly yours,

B. G. Cunningham
Village President
