Grading policy

Grades are based on the performance on the exams:

4 exams - 400 points possible

grade scale:

A = 90%
B = 80%
C = 70%
D = 60%
F = less than 60%

Examinations

The exams are objective type: true-false, multiple-choice, problems, etc.

The final exam has an optional part worth 20-30 points and covers any material from those chapters not included on the final. These earned points would be added to the earned points from the exams and then the grade would be determined according to the grade scale.

Attendance and Make-ups

Attendance is required and absences will be recored. After three absences you will not be allowed to sit for the next exam. You are responsible for materials covered in missed classes. Make-up exams will be given only during the last week of the semester.
