D2401C

Present: Susan Bell, Karen Caesar-Smith, Erin Engelbrecht, Kathy Miller, Donna Rutledge, Nancy Shlaes

- Introductions

- Nancy familiarized the committee with the digital collections available through the library archives web page. There is also a link to the 40th anniversary that will be updated. We also talked about content physically housed spanning in Archives and how they can be used in the historical display. Themes to explore are the ‘University without Walls’ and ‘A Place to Finish What You Started’. A virtual timeline can be created using primary source material from the GSU Memory Project through the Library of Congress. Emphasis was put on information contained within Ted Andrews’ History of GSU 1969-1979 and Marilyn Thomas history series published in the Innovator.

- Budget: Our committee will talk to the mosaic and history wall vendors to see what project will work for us and will be able to price it from there. There was also a need expressed for upgrading the library’s slide scanning equipment and possibly taking on a student worker to aid in digitizing material.

- Next Meeting scheduled for November 6th at 2:00 PM.
