Governors State University's Fall 2003 Dean's List

University Park, Ill., April 7, 2004—Governors State University released its Dean's List for the Fall 2003 trimester today. A total of 556 GSU students earned Dean's List distinction.

Undergraduate students who demonstrate superior academic performance and earn a grade point average (GPA) of 3.695 or higher are eligible for the list.

They must also be enrolled for six or more semester hours.

Governors State University Provost Paul Keys said, "We have some of the brightest and hardest working students here at GSU. So the students who make the Dean's List have earned the double distinction, in my eyes, of making the Dean's List while standing out in a very impressive crowd."

Keys added that, while GSU has no typical student profile, the university tends to serve working adults and part-time students. The university also has a 36 percent minority student body and a 28 percent minority faculty.

The faculty figure is double the national average.
