Governors State University Office of Communications, Faze 1 (1975, April 21). http://opus.govst.edu/faze_1/174
Let each become all that he was created capable of being: Expand, if possible, to his full growth; and show himself at length in his own shape and stature.
—Thomas Carlyle

April 21, 1975

BLITHE SPIRIT TRAGEDY...GSU was saddened by the sudden death of JAGURI, student in CS and male lead in the dedication play scheduled for April 18-19 and 21-25. Public performances have been rescheduled for April 22 and 24 only. Jaguri was killed in an automobile accident while returning home from rehearsal Sunday night. He was to have played the part of "Charles" in the Noel Coward comedy. Craig Little has been chosen as a replacement.

DEDICATION WRAP-UP...Preparations have picked up a furious pace in and around GSU...17,000 trees and shrubs have sprung up over the past week to grace our grounds, miles of sod line the median strips and roadsides, while yet more miles of carpeting have been cleaned or newly installed to brighten Phase I for the BIG DAY.

A Commemorative Booklet which includes many pictures and a brief history of GSU in addition to the dedication program, is now ready for distribution on Sunday...All 1,100 tickets have been claimed for the formal dedication ceremonies.

OFF AND RUNNING...The GSU Alumni Association will launch its membership drive at two Drop-ins planned during dedication celebrations. Sunday, April 20, 12:30-1:15 pm, a drop-in will be held in the recreative studies area. Another gathering is slated for Tuesday, April 29 in the Community Conference Center at 6 p.m. Two types of membership are available: a full membership open to all who hold a degree from GSU—dues, $10; an associate membership with annual dues of $5 is open to all GSU students, staff and faculty (all privileges except voting). If you wish to join but are unable to attend, please notify the Office of Communications. Mr. Curtis Crawford, president of the Association, will represent the alumni on the podium at dedication ceremonies. Curtis is a graduate of BPS, holding a B.A. and M.A. in Business Administration.

URGENT APPEAL FOR FACULTY PARTICIPATION...There are still petitions available for the position of representative to the BOG Council of Faculties and the BHE Faculty Advisory Committee. WE NEED GENEROUS FACULTY PARTICIPATION TO GUARANTEE A STRONG GSU VOICE BEFORE THESE GOVERNING BOARDS. Please notify PAM MADSEN, ext. 2345, before Wednesday, April 23.

ATTENTION ALL UNIT HEADS...Just a gentle reminder that the week of April 21 is observed as "National Secretaries Week."

V.P. for Student Services at State U. of New York in Binghamton, will speak April 21 in the President's Conference Area at 9 am. All are invited.
CHILD CARE CENTER TO OPEN...May 5 is the new date set for the GSU Child Care Center facilities to begin operation. Applications for admissions are now being accepted. Financial donations, toys, plastic containers, cloths, and other items are still needed. Fees will be staggered according to income and individual needs.

Steven Heller, former co-owner, program director, and teacher with Green Corn Nursery and Kindergarten in New York has been appointed director of the center. Mr. Heller holds a B.A. and M.A. from Adelphi U. and is currently working toward an Ed.D. in administration and supervision. For further information about admissions or donations, call ext. 2355, or the Child Care Center at 481-9546.

ELECTED...Congratulations to LARRY McCLELLAN (CS), on his recent victory at the polls. Larry has been elected as village president of Park Forest South for a four-year term. Also victorious was JOSEPH MEREDITH (LRC), winning the position of village trustee.

R&I SEMINAR...Dr. Nathan Keith, Coordinator of Research & Evaluation, will hold a seminar to discuss the results of two recently completed surveys at GSU. The results of the (1) Instructional Goals Inventory and (2) Perceptions of Administrative Units will be discussed on Monday, April 28, at 1:30 p.m., in the Community Conference Center.

SURVIVAL WEEK KICK-OFF...Eddie Benton, renowned Chippewa Indian from St. Paul, Minn., will speak on "Man and Nature as One" April 20, 4 p.m., Room A102. Admission is free and open to the public.

"LA BOHEME" by Puccini will close the first year of six programs in the GSU performing arts music series. The opera will be performed by the Opera school in conjunction with the Lyric Opera on April 27 at 7:30 p.m., in the GSU theatre. A concert version of the opera will be featured with the GSU chorale and community orchestra under the direction of Herbert Handt, conductor. Tickets are available for adults at $4 and for students at $2.50. For more info, call ext. 2458.

CALLING ALL GARDENERS...There are still a few remaining garden plots available, according to LEON FENNOY (EAS). All those who requested space will have plots assigned. If you are still interested, call Leon at ext. 2494.

MYSTERY MESSAGE...keep your eyes in the skies over Lincoln Mall and Park Forest Plaza Saturday, April 19!
Condolescences to JOHN PAYNE (CS) on the death of his father. Congratulations to AIDA PAYNE (BPS) on successful completion of the Certificate in Management Accounting program.

Welcome back to DUKE RANK and 10 (CS) students after a chilly 2-month stay at Arcosanti, the Utopian City under construction in Arizona. Congratulations to JIM GALLAGHER (EAS), recently elected to the Board of Directors of the National Assoc. for Research in Science Teaching, and to PAUL HILL (HLD & ADV. OFC.) who has written an introduction for a special issue of the Journal of the National Association of College Admissions Counselors (NACAC) dedicated to the subject of human relations. Contact Paul Hill if you'd like a copy.

ROBERT PRESS (CS) has been chosen as Director of the University Without Walls at GSU. His responsibilities include development and coordination of the UWW program and utilization of experiences of already functioning UWW units. "Chicago Town Meeting" produced by MEL MUCHNIK (CS) in March has been nominated for a local "Emmy" by the Chicago Chapter of the National Academy of Television Arts and Sciences. Joan Hopkins, CS grad student, served as production assistant on the project. An accolade to ex-GSU student Frank Jackson, who moves to Channel 2 public affairs production from Channel 32.

Good-bye for a year to Jose Williams, CS community professor, who will teach the art of silk-screen printing on Grand Turk Island, West Indies.

DID YOU KNOW?... Phase I's "back" is really the "front" (facing toward Stuenkel Rd.)--or--that the main entrance is really the back door?... that "indigenosity" was the determining factor in the choice of all trees and shrubs presently being planted on campus grounds... (let's hope that means unseasonably cold springs don't faze them.)... that the current annual payroll of GSU is more than $6,390,000... that GSU was ranked as the seventh non-traditional university in the U.S. among 3,000 in a poll of higher ed leaders... that there is a new info line at GSU, listing daily events and emergency announcements. 534-0033 is in 24-hour operation 7 days a week as a service of the Office of Communications, or that a schedule of parking fees has been passed by the University Assembly and approved by the president--$35 per year, $7 per session, $.50 each entry, visitors permit gratis.

Perhaps the opposite column will provide some solutions.

RULES FOR CAR POOLS

For drivers:
--A driver who shows up late and tries to beat the clock by driving 30 mph over the speed limit automatically forfeits his membership. Survivors, if any, will form a new car pool.
--Playing octane roulette is strictly prohibited. A driver who starts with an empty tank will be expelled.
--A driver who insists on stopping at a gas station, grocery store and/or bank with passengers shall drive an extra day.
--A jackrabbit start while a passenger has one foot on the ground, riding the bumper of the car ahead or carrying fertilizer in the trunk is taboo.
--The driver will have exclusive responsibility for conversations with police officers and all fines resulting.
--Arguments concerning the radio will be resolved by the driver. A majority vote is required to change the station.
--Passengers must refrain from distracting the driver except in emergencies, such as a car with a red light approaching from the rear; wheels smoking due to emergency brake on; or driver dozing.
--Passengers will assist with changing tires if they have at least 1/16th inch of tread. All bald tires will be changed by driver alone.

"The American's have a well that never runs dry... the middle-class taxpayer."
