Happy Holiday Season from the President's Office.

The Governors State University faculty, staff, administration, and students have demonstrated tremendous energy, educational expertise, and commitment to the educational service of the people of Illinois this year. We know it has been difficult to undertake the sharply increased work loads in the face of no additional state fiscal support. Nonetheless, you have done so and deserve sincere compliments.

Please accept our best wishes for an eminently happy holiday season and an extremely successful New Year.

If you are driving anywhere, please drive carefully and come back to us refreshed, relaxed, and safe.

LRC CHRISTMAS MESSAGE...Again this year, instead of sending individual Christmas card greetings to their GSU staff friends and colleagues, a number of LRC staff members are contributing the cost of cards and postage to the Governors State University student emergency fund. This fund is an important source of immediate financial support for students experiencing sudden financial emergencies. These staff members say: "We feel that this gesture will provide us with a meaningful way of extending holiday greetings to all, and is in keeping with the spirit of GSU."

COMPUTING CENTER HOLIDAY HOURS...
Availability to the Machine Room will be 8:30 a.m. to 5:00 p.m., December 22-24 and December 29-31, 1975. Operational personnel will work the corresponding hours.

HOLIDAY OF THE MONTH...Philippine Christmas, Dec. 16-Jan. 6. What ever possessed us to allow Christmas to become a one-day holiday? And to let it be outnumbered by shopping days 364 to 1? This is your chance for amends.

LEARN DOUBLESPEAK...A weekend workshop on language and politics will be offered to GSU students Feb. 28-29. Interested students may register for 1 Unit of credit Dec. 23 at clean up registration. Focused on political language manipulation, the learning module is designed to yield greater awareness of verbal and non-verbal language techniques and the strategies of the 1976 election campaigns.

The "Language and Politics Workshop" is co-sponsored by CCS and the Committee on Public Doublespeak of the National Council of Teachers of English. Participating are: Dan Dieterich of the University of Ill., Clare Barkely of Urbana high school, and Julian Kanter of the Political Commercial archives, GSUers Bethe Hagens, Clara Anthony, Mel Muchnik, Rick Isaacson, Hugh Rank (CCS), and Paula Wolff (BPS).

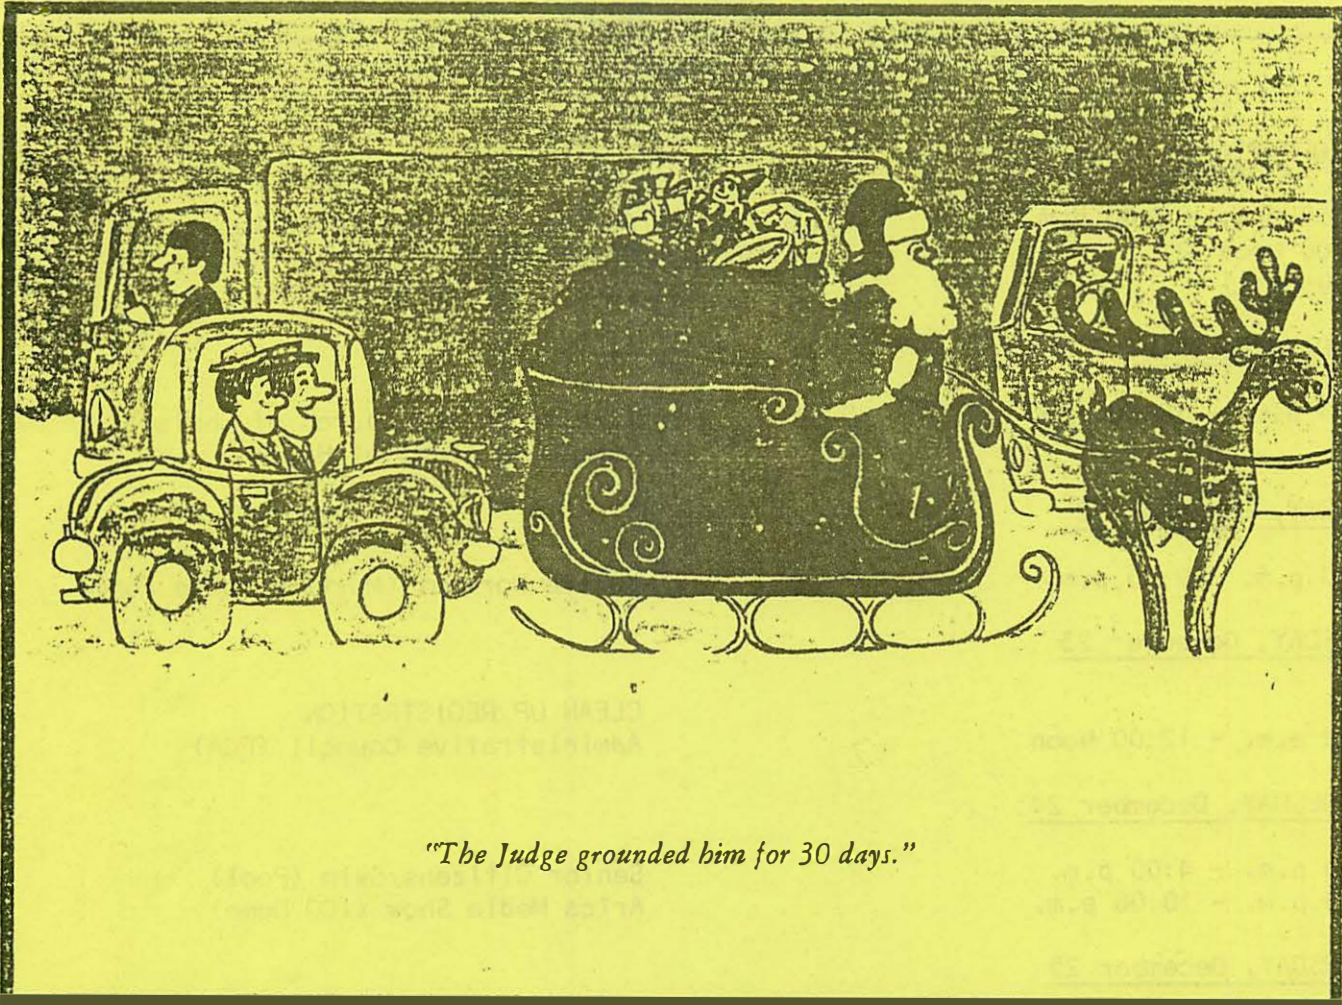

INSOMNIACS ARISE! Volunteers are still being accepted for an insomnia treatment program slated for January and Feb. at GSU. The study will develop and systematically evaluate short-term treatments for individuals having sleep-onset insomnia. Preliminary interviews conducted after the holidays will determine eligibility for free treatment. To be accepted, volunteers will be asked to make a commitment to participate for the entire period. For further info call Perry Nicassio, ext. 2444 or 2394.

The Christmas spirit has been defined in many ways. Here's one description that seems especially appropriate for this 1975 holiday season:

"Respect: For God and all his creation
For the other person's feelings
For the other person's reasons
For the other person's position
For the other person's achievements
For the other person's association
For the other person's living"

** Nathaniel Wright **
