In a message from President Maimon to the GSU community, she expressed her gratitude to all involved with this tremendous effort. "This is clearly an accomplishment shared by many across our campus."

As the transformation into a four-year university required the support of the entire GSU community, we asked members of the faculty and staff to reflect on the success.

This exciting October weekend presents an important opportunity for families and friends to share firsthand in GSU student experience.

All participants must register for the overall weekend. Registration is free for parents, family members, alumni and friends of GSU. Space is limited for some events, and there is a minimal cost for some activities.
